

LAW OFFICE OF
SUSAN CASTLETON RYAN, P.C.

7. The court will rely on previous tax returns versus the financial statements.

The financial statement is the most important document filed with the court. The financial statement must be based on the current income. The day you step into court, take a snapshot of your income, expenses, and liabilities. Those figures go onto your financial statement, not the numbers from your tax returns on previous years. Your tax returns will most likely never be presented to the court.
