

LAW OFFICE OF
SUSAN CASTLETON RYAN, P.C.

8. One person loses and one person wins.

In a divorce, no one wins or loses. In a perfect divorce situation, both parties will be equally displeased with the ultimate resolution. Unlike other areas of the law, the final result should be a compromise to reach an equitable resolution, with no one person receiving a benefit and the other a burden. If your attitude entering the process is to defeat your ex-spouse, you will be sorely disappointed at the end.
